If sessions are full, you may be put on a waiting list. If a spot becomes available, the registration fee is due at that time.

The 1st month tuition is due by June 30th. This is non-refundable & guarantees your spot in the fall. If we have not received this payment, we reserve the right to enroll another student in place of your child. You will receive a packet of information in late May that will also be due on June 30th.
